_____ [print shipper/consignee name] does hereby declare that **Farnell Freight Forwarders, Inc.** ("FFF") has offered me the right to purchase Marine Insurance to cover my shipment being handled by FFF.

The undersigned does hereby further declare that it has refused and declined to purchase the insurance offered by FFF and confirms any loss of its goods and cargo will be at the undersigned's risk. The undersigned agrees that neither the undersigned nor any person or entity acting on its behalf shall assign, grant, authorize or allow any subrogation of its rights against FFF in connection with my shipment. The undersigned does hereby indemnify FFF for any loss it incurs if the undersigned breaches this agreement hereunder or as result of any claim or action of subrogation or otherwise asserted by any third party in connection with this shipment.

The following individual or company does not wish to have FFF's Cargo Insurance coverage applied automatically to the FFF Bill of Lading or Airway Bill. By executing this document, I understand all limits of liability will be governed by the Carriage of Goods by Sea Act, or by the Warsaw Convention for air cargo on my FFF Bill of Lading or Airway Bill.
